Bio Oils Ashburton specialises in the production of Flax Seed Oil and Flax Seed Fibre that is pure, of the finest quality and proudly Kiwi. Our crops are grown locally on the fertile Canterbury Plains, to produce some of the world's best organic and non-organic Flax Seed products. Our Flax Seed Oils, rich in Omega 3, are unrefined and 100% natural, and are extracted using a controlled cold pressing method, regarded as the best method of extracting quality Flax Seed Oil.

Flax Seed Fibre is the product that remains after the extraction of the oil from the seed, and is rich in protein, dietary fibre and lignans.

Bio Oils Ashburton is organically certified byASUREQuality. All products are fully traceable and GMO/GE free.

Please visit our website for more information on our company, production processes and products - [www.bio-oils.co.nz](http://www.bio-oils.co.nz)
